All:

Mr. Jung was not prepared to [REDACTED] Samsung's products. We ask Samsung to make an additional witness available who understands their operation. If not, we will need to file a motion.

In addition, the question of whether Mr. Jung prepared the corrections to his deposition is not privileged and there was an improper instruction not to answer. We will need his deposition again to ask this question.

Thanks
JS

Hi Drew and Irell Team –

This brief appears to contain only Samsung confidential information about the JDLA. To that end, we plan to send it to Samsung tonight unless we hear otherwise from you. If you'd like more time to review and confirm, please let us know by 9pm ET.

Best regards,
Dan
